

About the Sibling Support Project...

Founded in 1990, the Sibling Support Project is a national program dedicated to the life-long and ever-changing concerns of millions of brothers and sisters of people with special health, developmental, and mental health needs. Our initiatives include:

- **Sibshops.** Sibshops are lively events just for school-age brothers and sisters of kids with special needs. Over 400 Sibshops exist throughout most US states and Canadian provinces, and in eight countries.
- **Online Communities for Brothers and Sisters.** The Sibling Support Project hosts the largest and longest-standing social networking groups for siblings and other family members, including *SibNet*, *SibTeen*, *Sib20* and *GKSN* (Grandparents of Kids with Special Needs).
- **Books.** Our books for and about siblings include *Thicker Than Water*, *The Sibling Survival Guide*, *Views from Our Shoes*, *The Sibling Slam Book*, *Living with a Brother or Sister with Special Needs*, and *Sibshops: Workshops for Siblings of Children with Special Needs*.
- **Workshops and Trainings.** Since 1990, we have presented hundreds of workshops and trainings on Sibshops and sibling issues across the country and around the world.
